Morgan Adams Concours d'Elegance Takes Flight August 22

*Morgan Adams Foundation raises money for pediatric cancer research
with a "Fine Cars, Fine Planes, Find a Cure" themed event.*

The Morgan Adams Foundation announces the Seventh Annual Morgan Adams Concours d'Elegance exhibit of rare and collectible automobiles, aircraft and motorcycles along with silent and live auctions featuring luxury and travel-related items, to be held Saturday, Aug. 22, at Centennial Airport.

The event offers the unique opportunity to explore the state-of-the-art TAC Air and Qwest Hangars and roam the runway, taking in panoramic views of the Rockies and enjoying a front-row seat for the event's flyovers. Every year the exhibit features vintage, luxury and one-of-a-kind cars, planes and bikes from the early 1900s through today—some worth more than \$1 million.

Live music, complementary beverages and heavy hors d'oeuvres provided by restaurants of the Strings and Japon caliber enliven the event, which is emceed by Gary Shapiro of 9NEWS. At the auctions, attendees bid on high-end jewelry, sunglasses, home accessories, travel and more—featured items this year include a Backyard Resort Dream Design from Terrace Views, a trip to New York City and two-hour rides in cars such as a 2009 Ferrari 430 Scuderia and a 2003 Lamborghini Murcielago.

Proceeds from the Morgan Adams Concours d'Elegance help to fund critically needed pediatric cancer research at The Children's Hospital of Denver and other leading institutions across the country. In particular, the Morgan Adams Foundation targets innovative research and less-toxic treatments.

Tickets for the event, which is expected to sell out, are \$125 and available from www.morganadamsconcours.org.
